

Hello! I am Edmund Doherty, and I'm standing for Social Officer. As a keen member of the Literific, I have dedicated myself to engaging in as many aspects of the Society as possible, with one of the best ways being the social events that take place. As well as attending all ordinary meetings this year, as well as all Council meetings this semester and three workshops, I have also attended the Halloween Pub Crawl, the Christmas Dinner and the Film Night, all of which were highly enjoyable occasions, and I wish to continue these events and improve upon them. If elected, I will ensure that the Pub Crawl covers pubs that cater to every members' tastes, be they beer, whiskey or cocktail flavoured, as well as expanding the Film Night into a programme of films, selected by both myself and members of the Society, under the banner Literiflix (copyright Matthew Bradley); the Christmas dinner will be adapted dependent on numbers to ensure that it is an enjoyable experience for all. Alongside these changes, all events, including the Conversazione, will be at an affordable price so that the experience of these events can be enjoyed by all in the Society. As well as this, I will ensure that there are always at least two pubs the Society can choose from following any ordinary meeting, as I have noticed that accessibility has occasionally been an issue this year. Thank you for reading this, and I hope I gain your vote come 13th March.
